NIELIT (The DOEACC Society)

DOEACC -
Govt. of India, New Delhi.

National Institute of Electronics & Information Technology (NIELIT) (DOEACC Society), an Autonomous Scientific Society under the administrative control of Ministry of Electronics & Information Technology (MoE&IT), Government of India, was set up to carry out Human Resource Development and related activities in the area of Information, Electronics & Communications Technology (IECT). It is also one of the National Examination Body, which accredits institutes/organizations for conducting courses in IT in the non-formal sector.

AS Info Tech (CSC ID 263232370015) is an accredited Institute from 2023. We Will Provide the Best Training for Digital Literacy Course's. Students can acquire any of these qualifications, if they undergo the particular Level of the accredited course in the institute **(AS Info Tech)** accredited for conducting the relevant course and pass the examinations conducted by the NIELIT. Working professionals can also appear in these examinations directly provided they possess the prescribed relevant experience for that particular Level. In either of the above cases, the candidates should have the requisite educational qualifications as indicated in the eligibility criteria given on the website at www.nielit.gov.in.
